Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant explains his position about the drawing objection and the 112 rejection. The Examiner recommends to incorporate the term "both end portions of" back to the claims and to submit a drawing illustrating the positioning unit grasping both end portions of the sheet in order to overcome the drawing objection. The introduction of "positioning unit" in claims 1, 10 and 11 overcomes the 112 rejection.
